Palette:

No specific requirement. I use a piece of glass over a piece of brown paper. If you like a one-time-use paper palette, use the gray color one, not white.

Canvas:

Primed and stretched canvas preferred, but you may use panels, Choose the size you feel comfortable with, but not larger than 12" x 16". Do not use paper backed canvas panels. They are too absorbent.

Professional Artist's Easel (single mast type) (**available for use during the workshop**) or Portable Easel

Paper towels

Plastic bags for trash

Reference photos

For *plein air* painting workshops, you don't need reference photos.

For studio landscape workshops, you may bring prints or images on a laptop computer or iPad.
