Mixed Media Art: Junk Mail Journaling with Leslie Wood

Skill Level: Beginner to Advanced

Friday, May 14 & Saturday, May 15, 2021; 9:00 a.m. to 4:00 p.m.

\$300 members/\$325 non-members

In this two-day workshop, you will explore how to transform discarded mail, magazines and catalogs into a visual art journal. An art journal is a combination of visual and written imagery that captures thoughts, ideas and images in a visual way. In this class, we will create humorous monsterly pages that capture both your imagination and your recorded thoughts.

Wood is a mixed media artist from Lacey's Spring, Alabama. She has a bachelor's degree in Engineering, but after working for a few years, decided to go back to college and take art classes. She enrolled with the University of Alabama in Huntsville and studied photography, sculpture and painting. Over the years she expanded her creative skills with numerous master-led classes. Her work varies from mixed media and art journaling to sculpture and jewelry making. Her recent solo exhibitions include *Dreams and Reality: The Artwork of Leslie Wood* at Carnegie Visual Arts Center and Evelyn Burrows Museum, and *The Red Clay Survey: 2020 Exhibition of Contemporary Southern Art* at the Huntsville Museum of Art. An avid art journaler, her journal work has been published numerous times in Somerset Studio's *ART Journaling* magazine including a feature in the 2020 Fall edition as well as features in Spring and Fall 2019 issues. You can find her work at local shows such as Monte Sano Art Festival and Panoply Arts Festival. For more information, visit lesliewoodarts.com.

Painting Portraits & Figures in Watercolor with Mary Whyte

Skill Level: Intermediate to Advanced

Wednesday, June 23 – Friday, June 25, 2021; 9:00 a.m. to 4:00 p.m.

\$775 members/\$825 non-members

Using live clothed models, Whyte will demonstrate daily and guide you through the techniques of planning your compositions, drawing, mixing color and creating great backgrounds. She will show you how to work with the model, avoid mistakes and give personal critiques and great tips for marketing your work.

In 2010, Mary Whyte set out on a mission to paint fifty large-scale watercolor portraits of what it means to be an American veteran today. Over seven years in the making, *WE THE PEOPLE: Portraits of Veterans in America* took her across the United States to meet men and women of all ages and from all walks of life, and paint some of our country's truest patriots. The exhibition — on display at HMA June 27-September 26, 2021 — includes portraits of a Missouri dairy farmer, Rhode Island lobsterman, Pennsylvania science teacher, South Carolina single mother and 46 other moving works. It is poised to become a national treasure honoring and connecting with men and women in uniform for generations to come, and is accompanied by a 136 page book, containing 67 color and 50 black and white illustrations and published by University of South Carolina Press.

Whyte's work is in many corporate and museum collections and has been featured in *International Artist*, *American Artist*, *Artist Magazine* and *American Art Collector* magazines. She has been awarded the Portrait Society of America's Gold Medal. For more information, visit marywhyte.com.

Skill Level: Beginner to Advanced

Thursday, August 5 – Sunday, August 8, 2021; 9:00 a.m. to 4:30 p.m.

\$525 members/\$550 non-members

Qiang's approaches to still-life painting will be demonstrated with particular focus on composing dramatic setups by observing the light distribution and using bold and loose strokes to create a powerful and accurate representation on canvas. Using demonstrations, presentation, and individual assistance, Qiang will explain his process of creating energetic paintings by manipulating values, colors, edges, and brushwork. Personal attention will be given to each student according to his/her currently skill level and personal goals in art. The workshop is designed for indoor practice with live settings.

As a self-representing artist, Qiang will also share his experience of marketing art using the Internet tools. He will demonstrate how to advertise artwork using blogs, websites, email newsletters, and on-line galleries. His way of using eBay to conduct on-line sales will be introduced, including image capturing, posting, selling transactions, and shipping. As a self-discipline and an effective way of communication, Qiang will discuss his daily-painting practice.

Qiang Huang (*pronounced as Chong Wong*) came from China. He has studied art from multiple master artists like David Leffel and Sherrie McGraw. His paintings show remarkable accuracy and expressive brush strokes. Since 2004 his paintings have been selected continuously for the 14th, 15th, 16th and 18th Oil Painters of America's National Juried Exhibitions. *American Artist Magazine* has featured his teaching on the summer issue of *Workshop*. Mastering Skies & Reflections in Oil, Acrylic or Pastel with Michael Story

Skill Level: Beginner to Advanced

Thursday, August 26 – Sunday, August 29, 2021; 9:00 a.m. to 4:00 p.m.

\$525 members/\$575 non-members

Master your landscape painting! Join South Carolina artist Michael Story for this four-day workshop as you use the sky and water as a dramatic design element in your painting's composition. The workshop will begin with a presentation of Michael's painting techniques from start to finish. You'll begin your painting with an initial charcoal drawing, followed by a color wash applied over the image.

Starting with shadow colors, you'll begin blocking in your painting, then progress from dark to light to completion. Building final layers of color and avoiding muddy mixtures, you'll achieve fresh, bright color while capturing depth, drama and mood in your work. He will demonstrate and provide photo reference to paint from, if desired, along with color exercises you may complete after the workshop.

Michael Story earned a BFA in Fine Art from the University of South Carolina in 1976. He later traveled to New York, studying pastel and oil painting under internationally known artist Daniel Greene. Today, he is an award-winning artist who regularly teaches pastel and oil painting. His paintings have been reproduced by major publishers and distributed worldwide.
