## Creating Beautiful Landscapes in Acrylic or Oil with Donna Bland

**Skill Level:** All skill levels are welcome.

**Thursday, September 15 – Sunday, September 18, 2022;**

**9:00 a.m. to 4:00 p.m.**

**\$550 members/\$600 non-members**

Donna Bland will start a demo painting, then begin a step-by-step process to completing a painting each day. Learn to perceive and simplify shape and color while creating a painting, and visually interpret relationships of shape, value and color with individual help at each easel. Each artist will be able to complete exercises in color mixing, which will help to learn mixing and find the correct color.

Bland lives and paints in the Austin, Texas area. Painting daily in her studio, *plein air* or teaching a workshop, subjects are unlimited. She loves to learn, create and share what she has experienced in finishing a painting. She is a member of Oil Painters of America, the American Impressionist Society, the Austin *Plein Air* Painters, American Women Artists, and Artists of Texas. She has received numerous awards and has paintings in corporate and private collections. When she first started painting, Bland was taught to paint scenes that interested her — this adds a feeling of excitement to her painterly strokes. Each canvas is the opportunity to create a new design made of various colors and shapes. She formally studied art at The Student Art League of New York, Scottsdale School of Art, University of Georgia, and Tyler Junior College in Texas. Bland has been fortunate to paint with modern day masters throughout the United States as well as Europe, and continues to study and read works by John Singer Sargent, Nicolai Fechin, Richard Schmid, Joaquin Sorolla and Emile Gruppé.
