## **SUPPLY LIST**

- **MATERIALS SUPPLIED BY THE MUSEUM ACADEMY:**
  - Professional Artist Easels/Small Side Tables (classroom use)
  - Low-odor solvent/thinner
  - Vine Charcoal
  - Various Small Containers
- **YOU WILL NEED TO BRING:**

### **Oil Paints**

- Cadmium Red Light
- Alizarin Crimson
- Cadmium Yellow Light or Pale
- Viridian
- Ultramarine Blue
- Titanium White – large tube

### **Variety of Paint Brushes**

- Flat and Filberts long handles, variety of sizes
- 1 flat and 1 tapered watercolor brush (1 inch and ½ inch)
- 1 very thin round watercolor brush for details
  
- Small jar of linseed oil or Walnut oil and an EXTRA small container
- 1 Roll of Paper Towels
- 2 or more Palette Knives of different shapes
- Palette to put paint on

Whatever you use to put your paint on, make sure it is big so you have room to mix, I like to get a piece of Plexiglas at Lowes (has them already cut) about 16 x 20 (exact size is not important) and put a piece of cardboard under it so it has a neutral surface behind it. It is a bit hard to carry so it is good to have a box to put it in. You can buy a plastic one with a lid at art supply stores.

*Supply list continued on next page.*
