Misc.

- 1 Roll of Paper Towels
- Plastic Garbage Bags (grocery store bags)
- 2 or more Palette Knives of different shapes
- Palette to put paint on
Whatever you use to put your paint on, make sure it is big so you have room to mix, I like to get a piece of Plexiglas at Lowes (has them already cut) about 16 x 20 (exact size is not important) and put a piece of cardboard under it so it has a neutral surface behind it. It is a bit hard to carry so it is good to have a box to put it in. You can buy a plastic one with a lid at art supply stores.
- Baby Wipes (optional) - Great for clean up
- Small sketchbook for notes and pencil
- Gamsol Odorless Mineral Spirit and container, extra small container

For supplies in the Huntsville area, art supplies can be located at Hobby Lobby and Michaels to name a few.
